Summary

Hi, I am Vashu Kashyap and I live in Delhi (India). I describe myself as a passionate Web Developer who loves coding and using the open-source library. In my free time, I watch coding tutorial videos on youtube and online surfing about coding. That helps me to learn new skills(like - Html, CSS, Javascript and Tailwind CSS) and grow as a Web Developer. I want to become a great Full Stack Developer.

Experience

HTML Developer
